

Sun in the Sky in Ada's Town

	What time of year is it?	Draw the Sun's path in the sky.
 A photograph showing various toys on a dark asphalt surface. From left to right: a yellow baseball bat, a red and blue ball, a red jump rope, and a blue and green ball.		
 A photograph of the same toys from the first image, but set against a dark, starry background, suggesting nighttime.		
 A photograph of the toys from the previous images, now in a very dark environment where only faint outlines are visible against the black background.
