

Fall Cookie Challenge Scorecard

Contestant name: _____

Scoring category	3	2	1
Fall theme	Uses more than one design associated with fall	Only uses one fall design	Designs don't make me think of fall
Taste	Yummy. I want to eat another.	Pretty good.	I don't really want to eat another.
Appearance	All pieces are cut neatly OR shapes are obvious. Decorations look nice. If I saw this on a plate, I would pick it up.	Neatness of cut edges or shapes are not all the same. Some decorations look better than others. I'm not sure I would choose this based on how it looks.	There are lots of loose crumbs on the edges OR shapes are not obvious. Decorations are messy. I would not choose this based on how it looks.
Creativity	It makes me think of fall but I would never have thought to make this myself. Very creative.	Looks like a typical fall cookie. Nothing creative about the design.	Just looks like a standard cookie. Nothing creative or fall-like.
